Violet Wedding Cake Menu

One of the most exciting aspects of planning a wedding is choosing what your cake will look and taste like. At Violet we believe that cake should taste as good as it looks. Choose from our sponge and filling options and then take it to the next level with a Swiss meringue buttercream covered cake, decorated with beautiful fresh flowers to mark your special occasion.

Below are some suggestions of typical cake sizes and combinations to create a multi-tiered wedding cake. Please refer to our cake special orders menu for flavours and fillings.

To serve 50

8" tier, 12" tier

To serve 100

8" tier, 12" tier, 15" tier

To serve 150

6" tier, double height 8" tier, 12" tier, 15" tier

If you are catering for more than 150 guests, we suggest ordering additional single-tiered cakes to be served from the kitchen. For example, if you have 200 guests you could order an additional 8" and 12" to make up for the extra guests. These can be kept behind the scenes and portioned and served along with the display cake.

Cake tastings

We offer tasters of all our sponge and filling options, starting from £5 per flavour. All tasters must be ordered 48 hours in advance, and can be enjoyed at our bakery, or can be taken away.
