## Violet Wedding Cake Menu

One of the most exciting aspects of planning a wedding is choosing what your cake will look and taste like. At Violet we believe that cake should taste as good as it looks. Choose from our sponge and filling options and then take it to the next level with a Swiss meringue buttercream covered cake, decorated with beautiful fresh flowers to mark your special occasion.

Below are some suggestions of typical cake sizes and combinations to create a multi-tiered wedding cake. Please refer to our cake special orders menu for flavours and fillings.

### To serve 50

8" tier, 12" tier - £550

### To serve 100

8" tier, 12" tier, 15" tier - £1,170

### To serve 150

6" tier, double height 8" tier, 12" tier, 15" tier - £1,500

If you are catering for more than 150 guests, we suggest ordering additional single-tiered cakes to be served from the kitchen. For example, if you have 200 guests you could order an additional 8" and 12" to make up for the extra guests. These can be kept behind the scenes and portioned and served along with the display cake.

## Cake tastings & Consultation

We offer tasters of all of our sponge and filling options, starting from £10 per flavour. Vegan and gluten free tasters are available on request and begin at £12. Tasters must be ordered at least 48 hours in advance and can be enjoyed at our bakery or can be taken away. Sit in tasters can be arranged Monday – Friday, from 11.30am and tasters can be boxed up to take away from 2pm on weekends.

For a quote, please send us an email at [info@violetcakes.com](mailto:info@violetcakes.com). Please include the event date, the number of people you would like to serve, your preference of cake flavours, including any dietary requirements, and the venue location.

All the above prices include fresh flowers, Swiss meringue buttercream, (American buttercream available on request) a Perspex cake board and an assembly fee. If you are able to return the cake board in good condition, we will reimburse the cost of £25. One of our highly skilled bakers will deliver the cake to the venue where they will assemble the tiers and add fresh flowers and other finishing touches. The above prices do not include delivery. Additional fees may apply for weddings outside London.
